To,

Advisors and Members,  
Vindhyan Ecology and Natural History Foundation  
Vindhya Bachao

Dear Sir/Madam,

This is to inform that Prof. Guru Prasad Singh (BHU) was being given the respect of Advisor of our organisation. His name has appeared in some of our reports and website as well. However, it came to our knowledge that some of his activities are against the work we do and may have conflict of interest to the cause of the organisation which is bound to harm our reputation.

Hence, we want to clarify that Prof. Guru Prasad Singh has no link with Vindhyan Ecology and Natural History Foundation or any activities of 'Vindhya Bachao' from now onwards. His name has been removed from our website [www.vindhyabachao.org](http://www.vindhyabachao.org).

Thanks

Sincerely,  
Debadityo Sinha  
Managing Trustee  
Vindhyan Ecology and Natural History Foundation
